

Sixth Annual

February 1, 2012

The Central Texas Business Resource Center will conduct the Sixth annual ***Fort Hood Region Government Vendor Conference & Exposition*** at the Killeen Civic & Conference Center in Killeen Texas. We have planned this Conference and Expo to help you to better understand the process of doing business with the prime contractors and government agencies to include federal, state, county and city. You will have the opportunity to network one-on-one with representatives and attend conference sessions such as *Introduction to Government Contracting, How to do Business with AAFES, and Obtaining Contract Financing.*

Many local, state and federal agencies are required by law and policy to do business with small businesses, including certified disadvantaged businesses such as woman-owned, minority-owned, and veteran and disabled veteran-owned. This conference will provide small businesses access to government and private sector contracting opportunities and information. The conference includes a business exposition where businesses can showcase their products and services to government and business attendees, as well as attend the conference sessions with prominent government, corporate, and business leaders.

Registration is now open. Attendee package includes all conference sessions, entry to the exhibit hall and one ticket to the networking luncheon. For a full agenda visit fthoodgovexpo.org

You may register by filling this form out and mailing it in or by visiting the website and registering and paying online. www.fthoodgovexpo.org
